FROM THE MANAGING DIRECTOR'S DESK

Following its success from the year 2002, STG Cleaning Services Sdn Bhd is a brainchild created 16 years ago, and is aiming for greater years ahead... pledging to continue fulfilling your 'Environmental Care' needs.

All the management members of the organization pride themselves in being specialists in the industry of cleaning services for more than 12 years each. Furthermore, our top management staffs are the crème de la crème who have vast experience and have been dedicatedly serving the industry for more than 20 years, is now managing STG's overall operations. To date, STG employs more than 200 staff.

With the success we have achieved thus far and our confidence for the future, we **ASSURE** you of our professionalism, for the best results of a 'Green & Clean Environment' in your organization.

Lastly, I believe that our initial objective is to fulfil YOUR needs and the end result would be YOUR satisfaction, in line with our theme.

Thank You.

MURALI K.GOPALAN

Managing Director

MISSION

- *To establish STG Cleaning Services Sdn Bhd as the Leading Service Company in the domestic market.*

VISION

- *We believe everyone has the right to live and work in a clean, safe, enjoyable environment. We believe it's important to look after people.*

QUALITY POLICY

STG Cleaning Services Sdn Bhd is committed to develop the cleaning services, meeting customer requirements, first time and every time. To accomplish this, we shall:

- *Identify, understand and clearly define customer requirements.*
- *Manage within a quality system that complies with customer requirements.*
- *Provide focused education and training at all levels of the organization.*
- *Encourage continuous quality improvement that enables all of us to perform to our full potential.*

As a result, our trained personnel are competent to:

- ***Identify Opportunities for your organization***
- ***Design Solutions in accordance with your organization needs***
- ***Create the best environment for your Organization in line with our 'Green & Clean Environment' theme***
